The servant of the Lord, Ellen White, wrote in *My Life Today*, Page 10

We can see only a little way before us; "but all things are naked and opened unto the eyes of Him with whom we have to do." He never becomes confused. He sits above the confusion and distractions of the earth, and all things are opened to His divine survey; and from His great and calm eternity He can order that which his providence sees is best.

If we were left to ourselves to plan, we should make mistakes. Our prejudices, our weaknesses, our self-deceptions, and our ignorances would be manifest in many ways. But the work is the Lord's, the Cause is His; He never leaves His workmen without divine directions.

Thank you.
